

Are your pre-school and school age children excited for **new summer programming** this year?

Our easy to implement **Bug Camp™** curriculum includes everything you'll need to start exploring the natural world with your students:

- ★ “Bug Song Sing Along” Audio CD and activities
- ★ Bug-related creative arts projects
- ★ Science, Technology, Engineering, and Math (STEM) focus
- ★ PA Academic and PA Early Learning Standards aligned matrix
- ★ Printable Bug Camp materials including teacher reference pages and daily nature journals
- ★ PQAS and Act 48 Training available
